The details of when and where you are busking are outlined in your confirmation email with the subject line "Busk It! Set Details"

Do you provide audio equipment for my gig?

You are asked to be completely self-contained and provide all of your own equipment.

There are no bathrooms designated for performers. We encourage you to introduce yourself to the staff at the business you are playing in front of and request access to bathrooms if needed.

The business you are playing in front of will have a *Market Street Arts* banner we'd like you to put up next to wherever you're playing.

If rain is forecast, Market Street Arts can reschedule your gig with 12 hours or more notice before start time. In this case no funds will be paid. If notice is not received, but it starts to rain before or during your gig, you will be paid in full for the gig. Notice will be sent by email, text or both. We are not responsible for notices not received.
